FROM YOUR PRESIDENT

As President of the Department of Elementary School Principals, NEA, for the year 1952-53, I wish to express my appreciation to the membership for your excellent cooperation. The Executive Committee joins me in this expression of appreciation. Various aspects of the Department's program for the year are discussed in the annual report of the Executive Secretary; however, I wish to mention some of the high lights which have been most impressive.

During the year, the Department's program emphasized leadership for elementary education. The Thirty-First Yearbook, *Bases for Effective Learning*, and five issues of THE NATIONAL ELEMENTARY PRINCIPAL offered many practical suggestions for the improvement of leadership. These publications were well received, particularly the remodeled magazine which offered a wide variety of articles with specific themes related to the role of the elementary school principal. Other Department publications sent to members were *Human Values in the Elementary School*, and *Happy Journey*. These materials are excellent additions to our professional libraries, and response to these publications has been most encouraging.

A special feature of the Department's program was the work of the Committee on Professional Standards. Many local and state elementary school principals' associations participated in this project and made recommendations on various phases of the principalship. These reports will be used by the Committee in the preparation of a companion bulletin to *You Are Invited to Help Make National Policies*. It is hoped that plans will be made to continue these pertinent discussions related to the role of the elementary school principal in the modern school.

The first annual winter meeting of the Department was held in Atlantic City, February 12-14. The excellent program and fine attendance made this a very important event in the year's activities. Nearly 700 elementary school principals from 44 states worked closely together for two days to consider effective ways for improving elementary education.

A significant event in the history of the Department was the adoption of the revised Constitution and Bylaws at the annual meeting held in Atlantic City. The revisions provide for wider participation in Department activities, including the election of officers by mail ballot with all members having an opportunity to vote.

It has been a pleasure to serve you as president of the Department. My good wishes and interest will remain with the Department's program for the years ahead.

EDWON L. RIGGS
President

FROM YOUR EXECUTIVE SECRETARY

It is the wish of the Executive Committee and the Executive Secretary that the membership be kept informed about the many activities of the Department. In the report which follows, the Executive Secretary presents the high lights of the Department's program for 1952-53.

In previous years, the Department's annual report has appeared in the October issue of THE NATIONAL ELEMENTARY PRINCIPAL in a more condensed form; the membership directory has appeared in the yearbook. You will observe that the membership directory has been removed from the yearbook and combined with the annual report.

You are encouraged to read this report carefully and become familiar with all the operations of your professional organization. I should like to urge you particularly to become familiar with the provisions of the revised Constitution and Bylaws which appear on pp. 19-22 of this publication. Your Department is responsible for providing you with information about Department activities. In turn, you, as a member, have a responsibility to avail yourself of the information that is provided. The quality of your Department program depends upon an active and well-informed membership.

It is satisfying to observe the increase of 542 members for the Department. This increase in members and the wider participation in Department activities are further indication of improved professional status for elementary school principals.

The Executive Secretary appreciates the fine cooperation received during the year from officers of the Department, state representatives, officers of state and local associations, and others who have an active interest in the elementary school principalship.

ROBERT W. EAVES
Executive Secretary

ANNUAL MEETING

The first annual winter meeting of the Department was held in Atlantic City, February 12-14. Approximately 700 elementary school principals and other interested persons participated.

Special features included addresses by: Helen Heffernan, Assistant Chief, Division of Elementary Education, State Department of Education, Sacramento, California; Henry H. Hill, President, George Peabody College for Teachers, Nashville, Tennessee; and Walter A. Anderson, Professor of Education, Department of Administration and Supervision, New York University, New York City. Dr. Heffernan, addressing the opening general session, devoted her speech to the topic of the Department's Thirty-First Yearbook, *Bases for Effective Learning*. This theme set the stage for the work of the 21 study groups, under the direction of well-qualified leaders.

Topics for these discussions were: "Desirable Methods of Securing Cooperative Faculty Planning," "Taking Care of the Individual Needs of Children," "Selecting and Utilizing Instructional Materials," "Developing Desirable Parent-School-Community Relationships," "Helping the Beginning Teacher," "Characteristics of a Good Reading Program," "Basic Characteristics of a Good Program in Written Expression," "Effective Ways to Coordinate the Teaching-Learning Programs in Elementary and Secondary Schools," "Basic Characteristics of a Good Science Program," "Effective Ways to Develop Human Values in the Elementary School," "Providing Effective Guidance for Elementary School Children," "Planning an Effective Health Program," "Planning an Effective Safety Program," "Identifying and Using Opportunities to Develop Good Citizenship," "Problems of the Teaching Principal," "Basic Characteristics of a Good Arithmetic Program," "Art Experiences in the Elementary School Program," "The Techniques of the Effective Elementary School Principal," "Effective Ways of Evaluating the Total School Program," "Desirable Methods of Evaluating Children's Growth and Reporting to Parents," "Planning for Continuity in Curriculum Development."

Summaries of the discussions in the study groups were included in the May 1953 issue of THE NATIONAL ELEMENTARY PRINCIPAL.

A breakfast was arranged on Saturday, February 14, for state representatives, presidents of state and local elementary school principals' associations, and professors of elementary school administration. The groups met for a one-hour session following the breakfast. There was much enthusiasm for these meetings and requests have been made for similar discussions at the next annual meeting.

The conference participants enjoyed a get-acquainted social hour on February 12. A dance was held following the dinner on February 14. The Pennsylvania and the New Jersey elementary school principals' associations assisted with these functions.

BUSINESS MEETING

The morning general session on February 13 was devoted to Department business. The presiding officer, President Edwon L. Riggs, asked for reports from the Committee on Professional Standards, the Constitution and Bylaws Committee, and the Committee on Elections. (The report of the Necrology Committee was presented at the opening session on February 12.)

Paul Van Ness, chairman, reported briefly on the activities of the Committee on Professional Standards. The report showed wide participation in the use of the study guide, *You Are Invited to Help Make National Policies*. Mention was made of plans for use of reports from the local and state groups. A progress report on the project will appear in THE NATIONAL ELEMENTARY PRINCIPAL during the year 1953-54.

The chairman of the Constitution and Bylaws Committee, Cornelia Adair, reported on recommendations by the Committee for revisions. With two modifications, the report was adopted as presented. The revised Constitution and Bylaws are included as part of this publication. (See pp. 19-22.) A resolution was presented by a representative of the Oregon Elementary Principals Association, suggesting an amendment to the Constitution and Bylaws. This resolution is included with the report on resolutions.

Since there was not time for the business meeting to be completed at the morning session, a special session was called for 4:00 P.M., on the same date, to complete Department business. Also, there was an informal get-together at the noon hour to discuss items concerning the revision of the Constitution and Bylaws.

The results of the election of officers were made known at the last general session. The following persons were elected to membership on the Executive Committee for 1953-54: Mamie Reed, President; Edwon L. Riggs, First Vice-president; Mathilda Gilles, Second Vice-president; Mrs. Johanna K. Havlick, Third Vice-president; Orlan C. Fowler, Fourth Vice-president; R. Melvin James, Fifth Vice-president; William F. Buboltz, Member at large.

RESOLUTIONS ADOPTED

We believe that the Department of Elementary School Principals, NEA, has shown great progress during the past year, notably in the following ways:

1. by the very substantial increase in membership;
2. by the publication of the new NATIONAL ELEMENTARY PRINCIPAL magazine;
3. by the publication of the excellent yearbook, *Bases for Effective Learning;*
4. by the publication of the booklet, *Human Values in the Elementary School;*
5. by the publication of the monthly Newsletter;
6. by the increased interest shown by principals' organizations in a forthcoming publication which will be an outgrowth of the booklet, *You Are Invited to Help Make National Policies* (the Committee on Professional Standards has worked diligently on this project for over two years);
7. by the interested participation of principals in (a) leadership conferences; (b) regional conferences; (c) the annual meetings of the Department;
8. by the commendable work done by the Committee on revision of the Constitution and Bylaws, which revision was submitted to the members of our Department at this meeting.

We believe that, for many years, the Department, under the leadership of its fine officers and its Executive Secretary, Miss Eva G. Pinkston, now Emeritus, laid a foundation for this important organization to make greater progress in the interest of all elementary school principals.

We believe that the progress during the past year was made evident by the fine leadership of our President, Mr. Edwon L. Riggs; by the untiring and unceasing efforts of our Executive Secretary, Dr. Robert W. Eaves; by the very capable and efficient Editor of our publications, Miss Dorothy Neubauer; by the competent headquarters staff; and by every elementary school principal whose membership is assisting the Department of Elementary School Principals in attaining its greatest objective, namely, professional leadership in all phases of elementary education.

We further believe (1) that local and state associations of elementary school principals and the national Department should work more closely together for higher certification requirements for elementary school principals; (2) that a good mental health program should be included in every elementary school, so that each child will achieve his maximum growth and development; (3) that we should endorse the actions of the joint Committee on Competitive Athletics for Children, on which the Department has a representative, which describes desirable athletic competition for children and combats tendencies toward exploitation of small children

in athletic competition; (4) that the Department should cooperate in every possible way with the Centennial Action Program of the National Education Association during the next four years and give support to its objectives for a unified profession; (5) that we should recommend that, at the beginning of the next year, July 1, 1953, and each subsequent year, the Executive Committee should appoint a Committee on Resolutions who will receive suggestions thruout the year to be included in the subsequent report of the Committee at the next annual meeting. Means for implementation of any or all of the resolutions should be included and suggested to the Executive Committee.

Therefore, be it Resolved: That we, as members of this very important professional organization, continue to bring about closer cooperation of the local, state and national associations, by attendance at meetings, by participation in programs, by voicing our opinions during discussions, and by working, in all possible ways, in close harmony for a united profession. We recognize that only by our activities in our professional organizations can we expect to attain the goals which we have set for ourselves in our profession—a program based on the need for improvement of elementary education and the raising of the status of the elementary school principalship. May we, therefore, reiterate that the Department of Elementary School Principals, NEA, has made great strides during the past year and is constantly looking forward to greater achievements in this year just ahead.

Respectfully submitted,
Mary T. Barrett
John H. Smith
William P. Patterson
William F. Buboltz, Chairman
Committee on Resolutions

On recommendation of representatives of elementary school principals' organizations in large cities (discussion group, February 14, 1953), the following resolutions were presented from the floor and adopted by the Department:

1. That all elementary school principals have a full-time assignment in administrative and supervisory capacity.
2. That we promote and encourage single salary schedules—this means elementary and secondary school administrators.
3. That there be an increase in supervisory and clerical assistance.

* * * * *

The Oregon Elementary Principals Association, represented by Miss Mathilda Gilles, offered the following resolution which was adopted:

Be it resolved that the following amendments to the new constitution be studied during the ensuing year and considered for adoption at the next annual business meeting of the national Department of Elementary School Principals:

Amendment: Article III, Section 2

The Executive Committee shall consist of the president, president-elect, vice-president, and nine district representatives.

The president, president-elect, and vice-president shall be elected from the country at large.

The nine district representatives shall be elected, one from each of nine geographical districts, and hold office for three years, three members retiring each year.

For the purposes of geographical representation in the election of district representatives, there shall be set up within the United States nine districts. Districts shall be created thru a representative commission of nine members appointed by the Executive Secretary of the national Department of Elementary School Principals.

District representatives shall be elected by written ballot within each district by those who are members of the national Department of Elementary School Principals residing within the district.

Balloting shall be done as the balloting is done for the members elected from the country at large.

In case a district fails to assume its responsibility in the election of a district representative from within the district, the Nominating Committee of the national Department of Elementary School Principals shall be empowered to select two or more candidates from within that district whose names shall be placed on the ballot and voted on by the members within the district at the annual general election of national officers.

Amendment: Article IV, Elections

The officers—president, president-elect, and vice-president—shall be elected by vote of individual members in the following manner:

Section 1. At the annual meeting a Nominating Committee of five members (none of whom shall be a member of the Executive Committee) shall be elected by the Executive Committee to serve one year, consideration being given to qualifications and geographical representation. These names shall be published at least four months prior to the next annual meeting.

Section 2. At least two names shall be submitted by the Nominating Committee for the offices of president, president-elect, and vice-president, giving consideration to qualifications and geographical representation. Information concerning the candidates shall be included with the ballot. Space shall be provided for write-in votes.

Be it resolved further that before the time of adoption of the above proposed amendments, Article IV, Section 5, be rewritten to provide a workable plan for adding three district representatives to the Executive Committee.

Oregon Elementary Principals Association

COMMITTEE MEETINGS

EXECUTIVE COMMITTEE

The Executive Committee met at NEA headquarters on February 10-11, and at Atlantic City for an evening session on February 14, following the annual meeting. Members of the Executive Committee present were: R. L. Booker, William Buboltz, C. B. Cleaver, Mathilda Gilles, Mary Greenlee, Johanna Havlick, Alice Jeffords, Mamie Reed, Edwon L. Riggs, and Blanche Schmidt. Robert W. Eaves, Mary F. Hazell and Dorothy Neubauer from the headquarters staff worked with the Committee.

A major part of the first day's meeting was devoted to a discussion of a progress report presented by the Executive Secretary.

The Executive Committee met with the Yearbook Committee on February 10 at a luncheon at which time there was a brief discussion of plans for future yearbooks. Lyle Ashby, Assistant Secretary, NEA, spoke briefly about the Centennial Action Program and plans for the NEA building. At a dinner for the Committee on the same date, William G. Carr, Executive Secretary, NEA, told of plans for the NEA building program.

Action Taken

The following action was taken by the Executive Committee:

Yearbook Committee

That the Executive Committee accept recommendations of the Yearbook Committee to develop the topic "Function of Reading in the Elementary School" for the Thirty-Fourth Yearbook, and "Selection and Use of Instructional Materials" for the Thirty-

Fifth Yearbook. Also, it was agreed that the membership directory would be removed from the yearbook and published with the annual report.

State and Local Activities

That cooperation between the national Department and local and state associations be encouraged, but that further study and consideration be given to affiliation by local and state groups before definite action is taken.

That the Executive Secretary be authorized to work with state elementary school principals' associations to help in their selection of state representatives, according to the plan offered in the revised Constitution and Bylaws of the Department.

That the Executive Committee accept the selection by the state elementary school principals' associations for the following people to become state representatives from their respective states: Rollah E. Aston, Arizona; Harold Judson, California; John W. Kready, Delaware; Harold O. Nelson, Idaho; Mrs. Winifred Fowler, Maryland; George Hayward, New Jersey; Vincent Dodge, North Dakota; Marguerite Quibedeaux, Texas; Susan Lacy, Washington.

That the Executive Secretary be authorized to arrange regular meetings for state representatives on a biennial basis to discuss matters pertaining to the Department's program.

That the headquarters office plan to encourage state and local elementary school principals' associations to study the proposed amendment to the Constitution and Bylaws as presented by representatives of the Oregon Elementary Principals Association.

Cooperation with Other Organizations

That the Department continue its participation and cooperation in the Annual Conference on Elementary Education sponsored by the United States Office of Education, and in the National Conference on Citizenship, the Cooperative Committee on School Health Education, the National Conference for Professors of School Administration, and meetings of the National Commission on Teacher Education.

That Department membership in the National Conference for Cooperation in Health Education be discontinued.

That the Department cooperate with the NEA Defense Commission in the preparation of material concerning attacks on public education.

That the Department continue membership in the National Aviation Education Council.

That the Department cooperate with the National School Public Relations Association, NEA, in issuing the bulletin *Happy Journey* in the spring of 1953. Copies to be sent to all members.

That the Executive Secretary explore ways for the Department to become more active in working with colleges and universities in programs for training elementary school principals.

That the Department participate in the NEA building fund drive. (Members of the Executive Committee made individual contributions at the time of the Executive Committee meeting.)

Budget

That the Budget Committee for 1953-54 consider including an amount to be labeled a contingent or emergency fund. This fund would be considered for use in case of an emergency.

That the Executive Secretary prepare a budget for 1953-54 to be submitted to members of the Executive Committee for action. It was agreed that officers attending the regional conference in Cincinnati, scheduled for May 7, 8 and 9, would advise in the preparation of the budget.

Executive Committee

That the Executive Committee suggest at the annual business meeting disadvantages at this time in changing the name of the Department as proposed in the revised Constitution and Bylaws to be offered for adoption; and that a member of the Executive Committee be designated to speak for the group.

That the Executive Committee elect members of the Nominating Committee by mail ballot after proper criteria were set up for the selection of persons to serve on this Committee. A sub-committee of the Executive Committee worked on criteria and reported their suggestions at the final session of the Executive Committee on February 14. It was agreed that names of the Nominating Committee members would be published in the October 1953 issue of THE NATIONAL ELEMENTARY PRINCIPAL. Names of candidates for offices for 1954–55 would be published in the December issue of the magazine.

That arrangements be made to acquaint new Executive Committee members with activities of the national Department.

Headquarters Office

That the headquarters office employ whatever staff is necessary to provide adequate services.

That Department employees be given the regular salary increment on June 1, in accordance with the NEA salary schedule; and that a double increment be provided for Dorothy Neubauer.

That the Executive Secretary be authorized to arrange for installation of air conditioning in the headquarters office. This arrangement would be worked out in cooperation with NEA authorities.

Meetings and Conferences

That the president-elect for 1953-54 represent the Department at the NEA annual meeting to be held at Miami Beach.

That the Department hold its 1954 annual meeting in Atlantic City, just prior to the American Association of School Administrators annual meeting; that the 1955 meeting be held in the Middle West, preferably in Chicago or St. Louis, and that consideration be given to holding the 1956 meeting on the West Coast.

That the summer meeting of the Department at Miami Beach be devoted to discussing problems pertaining to the training of elementary school principals.

That attempts be made to secure ideas for planning the annual summer conference to be held at Northwestern University, July 6-17, 1954.

Policies, Goals, Plans

That the Executive Secretary prepare a statement of Department policies concerning various activities to be studied at the next meeting of the Executive Committee.

That, due to limited funds and office personnel, the Department would not attempt to offer consultant service at summer workshops.

That the Department plan for setting future goals similar to the Centennial Action Program of the NEA.

That the Department would not give approval for contests in elementary schools to be sponsored by various national groups.

That plans be studied for suggesting ways in which retired elementary school principals might participate in activities of the Department.

PROFESSIONAL STANDARDS COMMITTEE

The headquarters office was active in carrying out the objectives of the Committee on Professional Standards. A large number of local and state elementary school principals and professors of elementary school administration used *You Are Invited to Help Make National Policies,* as a guide for discussing problems related to improving the status of the elementary school principalship.

Recommendations for helping elementary school principals achieve the goals suggested in the planks of the action program have been received from a large number of groups. These recommendations will be used in the preparation of a report and the listing of further problems for study by elementary school principals. The reports received thru correspondence and thru newsletters published by state elementary school principals' associations indicate that several thousand elementary school principals and others have participated in this phase of the Department's program. It is expected that the Executive Committee at its next meeting will make recommendations concerning the future of this project.

YEARBOOK COMMITTEE

The meeting of the Yearbook Committee was held at headquarters office on February 12 and 13, 1953. Plans were completed for the Thirty-Second Yearbook, *Science for Today's Children.* The Committee spent considerable time organizing and planning for the Thirty-Third Yearbook, *Guidance in the Elementary School.* The following topics were selected for the Thirty-Fourth and Thirty-Fifth Yearbooks: *The Function of Reading in the Elementary School,* and *The Selection and Use of Instructional Materials.*

The final editing of the yearbooks is under the supervision of the NEA Research Division. For the current yearbooks, the Committee has had the services of two Assistant Directors of Research, Sam Lambert and Victor Hornbostel.

CONFERENCES

SUMMER CONFERENCE—1952

The Twelfth Annual Conference on Elementary Education, sponsored by the Department of Elementary School Principals, was held at the University of Michigan, July 7-18. There was a total of 226 in attendance from 36 states, the District of Columbia and Canada. The theme for the Conference was "Education for Today's Children."

Those participating in the conference were given two points of college credit. The Conference provided many stimulating activities, including a general session each morning at which time topics of importance in elementary education were presented by faculty members and guest speakers. Several study groups with this excellent leadership were arranged. The conference participants suggested that the Department continue holding similar conferences in the future.

REGIONAL CONFERENCE IN OHIO

Approximately 400 elementary school principals and others attended the regional conference held in Cincinnati, Ohio, May 7-9, 1953, sponsored by the Department of Elementary School Principals. Edwon L. Riggs, President, Department of Elementary School Principals, and C. B. Cleaver, District Representative, East Central District, presided over the general sessions. Special features of this conference were addresses by E. T. McSwain, Dean of the School of Education, Northwestern University; Sarah C. Caldwell, Akron, Ohio, President of the National Education Association; and Laura Zirbes, Professor of Elementary Education, Ohio State University.

The theme for the conference was "The Elementary School Principal Faces Reality." Study groups discussed this theme in relation to the following areas: "Providing for Improvement of Instruction," "Providing for Effective Management and Administration of the School Program," "Providing for Effective School-Community Relations," "Providing for Himself Effective Professional and Personal Equipment," "Developing an Effective Health Program," "Developing an Effective Guidance Program," "Providing for Wholesome Growth and Development," "Providing for Continuity in Curriculum Development," "Providing the Best Possible Working Conditions for Teachers," "Providing for Effective Use of Community Resources," "Solving Problems as a Teaching Principal," "Developing Basic Skills," "Providing a Good Program in Children's Literature," "Developing an Effective Science Program," "Developing an Effective Social Studies Program," "Developing Better Coordination for Elementary and Secondary Schools," "Developing an Adequate Program of Experience in Arithmetic."

The local arrangements committee gave valuable help in assisting with many conference activities.

OTHER REGIONAL CONFERENCES

The Department helped to publicize other conferences for elementary school principals, sponsored by various districts. These conferences were held at Tulsa, Oklahoma; Spokane, Washington; and Jackson, Mississippi. Dorothy Neubauer, editor of THE NATIONAL ELEMENTARY PRINCIPAL, was one of the speakers for the regional conference held at Jackson.

DEPARTMENT PUBLICATIONS

YEARBOOK

Bases for Effective Learning, the Thirty-First Yearbook (Vol. XXXII, No. 1) was published in September 1952. The publication has had many favorable reviews and is increasing in popularity as more and more people are learning about it. Summer orders indicated wide use of the Yearbook in summer sessions and workshops in elementary education.

MAGAZINE

THE NATIONAL ELEMENTARY PRINCIPAL (Vol. XXXII, Nos. 2-6). In 1952-53, the magazine was issued in an enlarged and revised form. Readers have been enthusiastic about the greater variety of content, the special features, and the increased opportunity for wide participation. During the year, 141 principals wrote major articles or contributed to the special features. Every state, plus Alaska, the District of Columbia and the Philippines, was represented thru articles or special features.

The magazine has been favorably reviewed by other educational journals and several articles have been reprinted in educational magazines. Professors of elementary school administration have expressed particular interest in the publication and many of them have used the 1952-53 series in their classes.

The Editorial Advisory Board has given invaluable help in planning for the magazine and helping to work out problems connected with the changes in the publication. One member of the Board also serves as book review editor.

Themes for the five issues of the magazine were: October—"The Emerging Role of the Principal"; December—"The Principal and School-Community Relations"; February—"The Principal's Role in Instructional Improvement"; April—"The Principal's Responsibility for School Management"; May—"Preparing for the Principalship."

SPECIAL BULLETINS

Human Values in the Elementary School. 96 pages. October 1952. This publication, designed to give practical help to elementary school personnel in the area of developing basic human values, has been very well received. It was reviewed in a number of state and national education journals; it was also reviewed by such newspapers as *The Washington (D.C.) Post, The New York Times, The New York Herald Tribune* and *The Boston Sunday Globe.* One section was condensed and reprinted in *Education Digest.* The publication has been distributed to all Department members, and has been sold to superintendents, teachers, parents and others concerned with this important phase of the school's responsibility.

Happy Journey. 38 pages. May 1953. *Happy Journey* is a joint publication of the Department of Elementary School Principals, NEA, the National Congress of Parents and Teachers, and the National School Public Relations Association, NEA. This publication was originally intended as the special bulletin for Department members in 1953-54. However, since the publication date was earlier than anticipated, and since the material was well timed for use with parents at the end of the school year, your Department decided to distribute it this spring to 1952-53 members. In 1953-54, it will be sent to all *new* members. This publication has been phenomenally successful. Within four months after publication, nearly 100,000 copies had been distributed.

DEPARTMENT NEWSLETTER

The Newsletter is a mimeographed publication, issued monthly from October thru June. It is prepared in the headquarters office and sent to state and district representatives, state presidents, editors of state association newsletters and editors of state education journals. It reports news about the activities of state and local associations of elementary school principals. It contains information about significant happenings in elementary education, with special emphasis on items that are closely related to the elementary principalship. One of the major purposes of the Newsletter is to provide information to persons who are in a position to disseminate the material widely, thru state and local meetings and thru state and local publications.

RELATIONSHIP WITH NATIONAL EDUCATION ASSOCIATION

NEA RESEARCH SERVICE

The Department and the National Education Association have common objectives. The Department benefits from its affiliation with the NEA; the NEA is strengthened thru the work of the Department. We are particularly indebted to the NEA for the excellent service rendered by the Research Division in assisting in the preparation of our

yearbooks and in answering numerous requests for information concerning the elementary school principalship and elementary education. Arrangements for the NEA and the various departments to assist each other in matters of common interest is routine.

STAFF PARTICIPATION

During the past year your Executive Secretary has served as a member of the following NEA staff committees: Centennial Action Program; Field and Membership; and the Program Committee for Department Secretaries. Meetings of these committees were held frequently during the year to discuss problems of concern to all in the NEA, its divisions and departments. In his relationships with the NEA headquarters staff, your Executive Secretary has expressed the Department's interest in these problems, and its desire to work closely with the NEA in solving them. The Executive Secretary frequently participates in NEA group meetings where pertinent problems relative to NEA policy and planning are discussed.

RELATIONSHIP WITH STATE AND LOCAL ASSOCIATIONS OF ELEMENTARY SCHOOL PRINCIPALS

Special effort has been made by the Department to develop a closer working relationship with local and state elementary school principals' associations. To facilitate communication, the headquarters office keeps a file on the officers of these groups for correspondence and the interchange of materials. Frequently, the headquarters office sends special communications to presidents of local and state associations to keep them informed of Department activities.

The close working relationship of the Department with state and local elementary school principals' associations has been most helpful to the headquarters office in the planning of regional and national meetings. These contacts provide opportunities for becoming acquainted with many individuals who participate in these programs and offer means of publicizing activities of the national Department. Members of the headquarters staff and Department officers have participated in conferences of local and state groups.

An example of close cooperation with state and local elementary school principals' associations is the Department's project on professional standards. The extensive participation of these groups is mentioned elsewhere in this report.

A special breakfast program was held at the annual meeting of the Department in Atlantic City for officers of state and local elementary school principals' associations. Those present had an opportunity to discuss problems of mutual interest. Similar meetings which have been held during the past years have proved to be very profitable to the groups involved.

THE NATIONAL ELEMENTARY PRINCIPAL provides a section for news from state and local associations. Many of the items are selected from newsletters sent to headquarters office.

STATE ASSOCIATION NEWSLETTERS

During the past year, newsletters from the following state elementary school principals' associations have been received at headquarters office: Alabama, California, Connecticut, Florida, Georgia, Illinois, Iowa, Kentucky, Louisiana, Massachusetts, Michigan, Minnesota, Mississippi, Montana, New Jersey, New Mexico, New York, North Carolina, Ohio, Oregon, Pennsylvania, South Carolina, Tennessee, Texas, Virginia, West Virginia, Washington, Wisconsin.

These newsletters have enabled the headquarters office to keep informed on the activities of state associations. In some instances the national Department has assisted the officers of state associations in planning these newsletters.

EXCHANGE OF MATERIALS

The Department's plan for exchange of material from state associations has proved very helpful. This activity has enabled officers of the various state associations to secure ideas for planning their own programs. Many favorable comments about this service have been received at the headquarters office.

MEETINGS OF REPRESENTATIVES AND OFFICERS

The Executive Committee of the Department of Elementary School Principals, NEA, has adopted a policy of arranging regional meetings for officers of state elementary school principals' associations and state representatives to the national Department, on a biennial basis. During 1952-53, regional conferences were held in Chicago and Cincinnati. Representatives from the following states were present at these conferences: West Virginia, Ohio, Kentucky, Michigan, Missouri, Indiana, Illinois, Wisconsin, and Minnesota.

The purpose of these conferences was to discuss various problems related to work of our professional associations—local, state and national. Procedures for increasing membership in our professional associations, for improving the professional status of the elementary school principal, and for improving our publications program were important items on the agenda for these meetings. These small conferences have provided excellent opportunities for increasing professional awareness and strengthening professional association activities.

EXHIBITS

The photographic panel exhibits on the elementary school principalship, prepared by the Department, have been used extensively by state and local groups. Copies of Departmental publications have been provided for display at many state conferences and meetings of local groups.

FIELD SERVICES

The Department was able to provide a limited amount of field service for regional, state, and local elementary school principals' groups during the year. The president, Edwon L. Riggs, represented the Department at several meetings. Other officers of the Department participated in various national and regional conferences. Robert W. Eaves and Dorothy Neubauer, from the headquarters office, participated in several regional and state meetings of elementary school principals. The policy of the Department provides for representation at meetings of elementary school principals and related groups in accordance with the amount of money available for this service.

CONSTITUTION AND BYLAWS

DEPARTMENT OF ELEMENTARY SCHOOL PRINCIPALS OF THE NATIONAL EDUCATION ASSOCIATION

Amended February 13, 1953, at Atlantic City, New Jersey

The primary purpose of education in the United States is to provide for the maximum development of children so that they may function as effective citizens in our democratic society. The elementary school is a vital part—the foundation—of the total educational program. The responsibility for the development and maintenance of this program in the elementary school rests primarily with the principal.

The purpose of the Department of Elementary School Principals is to help its members meet this responsibility thru a professional organization dedicated to the development of increasingly effective educational leadership. To achieve this purpose, the Department

(1) provides opportunities for cooperative study of various problems common to the elementary schools of our nation;

(2) lends assistance concerning general and specific problems thru publications, conferences, encouragement of local and state associations, and thru individual counseling;

(3) aids in coordinating the activities of local and state associations and serves as a center for the interchange of ideas and information.

ARTICLE I. NAME

The name of the organization shall be the Department of Elementary School Principals of the National Education Association.

ARTICLE II. MEMBERSHIP

Section 1. Membership in the Department of Elementary School Principals shall be: active members (including life members) and associate members.

Section 2. Active membership is restricted to members of the National Education Association who pay the regular membership fee and who are (1) principals engaged in administration and supervision of schools with elementary grades, including teaching principals, assistant or vice-principals, and supervising principals; (2) persons actively engaged in educational research and in the professional education of elementary school administrators.

Section 3. Associate membership is reserved for all members of the National Education Association who are not eligible for active membership. Associate members must pay the regular membership fee and are entitled to all privileges of the Department, except the right to vote and hold office.

Section 4. Life membership is reserved for those active members of the Department who shall pay a life membership fee of one hundred dollars ($100). Life members shall have all the rights and privileges of active members.

ARTICLE III. OFFICERS

Section 1. The officers of the Department shall be a president, a president-elect (who shall become president after one year's service as president-elect), and a vice-president, each holding office for a period of one year, beginning June 1 following the election.

Section 2. The Executive Committee shall consist of the president, president-elect, and vice-president, together with six members elected at large. Members at large shall hold office for three years, two members retiring each year.

Section 3. No elective officer may hold the same office for more than one term until the lapse of a period of one year or more.

Section 4. An executive secretary shall be appointed by the Executive Committee for a period of four years, subject to reappointment.

ARTICLE IV. ELECTIONS

Members of the Executive Committee and officers shall be elected by vote of individual members in the following manner:

Section 1. At the annual meeting, a Nominating Committee of five members (none of whom shall be a member of the Executive Committee) shall be elected by the Executive Committee to serve for one year. These names shall be published at least four months prior to the next annual meeting.

Section 2. At least two names shall be submitted by the Nominating Committee for each office to be filled, giving consideration to qualifications and geographical representation. Information concerning the candidates shall be included with the ballot. Space shall be provided on the ballot for write-in votes.

Section 3. Ballots shall be sent by first class mail to all active members, with instructions to return them, postmarked not later than 31 days after date of mailing from Department headquarters.

Section 4. The president shall appoint an Election Committee, consisting of three or more active members, to open and count the ballots within 60 days after date of original mailing of ballots from the headquarters office. They shall certify the results to the Executive Committee and to the membership at the next annual business meeting. A plurality shall constitute an election. In case of a tie vote, a run-off election shall be held by first class mail immediately following the counting of the votes. This election shall follow the same procedure as outlined in Section 3.

Section 5. Ad interim: (a) After the annual meeting at which this revised constitution becomes operative, there shall be elected (as prescribed above): a president, a president-elect, a vice-president, and three members of the Executive Committee, the member receiving the highest number of votes to serve for three years, the one receiving the next highest number of votes to serve for two years, and the one receiving the next highest number of votes to serve for one year. The members elected for one and two years shall be eligible for re-election to a full term. The members of the present Executive Committee shall serve until their terms expire. (b) The officers first elected under the new Constitution shall serve for eleven months—July 1, 1954 to June 1, 1955. (c) The revised Constitution and Bylaws shall become operative on July 1, 1953.

(This section shall become void after the interim period.)

ARTICLE V. DUTIES OF OFFICERS

Section 1. The president shall preside at all meetings of the Department and of the Executive Committee; appoint all committees not otherwise provided for; call the annual meeting of the Executive Committee and other meetings of the Executive Committee when deemed necessary, upon request of a majority of its members; and perform all other duties pertaining to his office. He shall be, ex officio, a member of all committees except the Nominating Committee.

Section 2. In the absence of the president of the Department, the vice-president shall assume the duties of the president. In case of vacancy in the office of the president, the vice-president shall become acting president until the next annual election.

Section 3. The executive secretary shall be the executive officer of the Department. He shall serve as secretary of the Executive Committee, direct headquarters activities, prepare an annual report on the Department's program, and submit an annual budget for consideration by the Executive Committee. With the advice of the Executive Committee, he shall prepare and publish a program for each meeting of the Department, and shall perform such other duties as may be designated by the Executive Committee.

Section 4. The Executive Committee shall be the administrative body of the Department, subject to the call of the president, except as otherwise provided for in the Constitution. To supplement and assist the president in the conduct of his office, the Executive Committee shall, by a majority vote of all its members, fill all vacancies, except that of the president and president-elect.

Section 5. In case of vacancy in the office of president-elect, the office shall remain vacant until the next annual election.

Section 6. In case of a national emergency, the Executive Committee is authorized to continue in office and conduct the business of the Department until such time as operations can be carried on in the prescribed manner.

ARTICLE VI. MEETINGS

Section 1. The Department shall hold an annual meeting at such time and place as shall be determined by the Executive Committee, providing, however, that during a national emergency disrupting the usual mode of travel the Executive Committee may postpone the annual meeting until such time as transportation is available.

Section 2. The Executive Committee shall have the power to call a special meeting of the Department during the year, providing, however, that the meeting be given publicity in THE NATIONAL ELEMENTARY PRINCIPAL at least thirty days in advance of the meeting date.

BYLAWS

ARTICLE I. COMMITTEES

The Department, thru its Executive Committee, may establish such committees as may be desirable to attain the objectives of the Department.

ARTICLE II. STATE REPRESENTATION

There shall be one representative from each state to serve as a liaison person between the national Department, the elementary school principals and other interested persons in the state. The representative, elected or appointed by the state association and approved by the Executive Committee of the national Department, shall serve for a three-year term. In states where there is no election or appointment by a state association, the Executive Committee of the national Department may appoint a state representative to serve for a three-year term or until such time as an election is held or an appointment is made by the state association.

ARTICLE III. BOOKS, RECORDS AND PROPERTY

Section 1. The records and accounts of the Department and of its officers and committees shall be kept and shall be the property of the Department. These records and accounts shall be open to inspection by the Executive Committee or by any member of the Department.

Section 2. Every officer or former officer, member or former member, committee or former committee who has funds or property of any description belonging to the Department shall return it to the executive secretary of the Department on request.

ARTICLE IV. DUES

Section 1. The annual fee for membership shall be five dollars ($5).

Section 2. The fiscal year of the Department shall coincide with that of the National Education Association. The membership year shall run from September 1 through August 31.

Section 3. The life membership fee shall be one hundred dollars ($100). Payment of this fee may be made in full or in deferred payments of ten dollars ($10) or twenty dollars ($20)

per year. The certificate and emblem of life membership in the Department shall be issued on completion of payment of the full fee.

ARTICLE V. PERMANENT FUND

The Permanent Fund, consisting of the present Permanent Fund and income from life membership dues, shall be placed in the hands of the Board of Trustees of the National Education Association to be invested and conserved in securities that are legal. The Board of Trustees of the National Education Association shall be the Trustees of the Fund. At each annual meeting of the Department the Trustees shall report in detail the condition of said Fund and shall apportion the income to such uses as may seem to the Department of Elementary School Principals advisable. No part of the principal of said Fund shall be spent except after the unanimous recommendation of the Executive Committee of the Department of Elementary School Principals duly ratified by a two-thirds vote of the members voting at a stated annual meeting of the Department.

ARTICLE VI. GRANTS TO THE DEPARTMENT

The Department may receive grants for special purposes, in keeping with its objectives, and may deposit and expend these funds according to terms laid down by the grantor and accepted by the Executive Committee. Such special funds may or may not, according to the terms accepted or according to the recommendations of the Executive Committee, enter into and become a part of the adopted budget of the Department. If they are not a part of the adopted budget, then the disbursing agent and the conditions for disbursement shall be established specially by the Executive Committee in terms agreeable to the granting agency. Such funds shall be kept inviolate for the purposes for which granted and received, with a special accounting thereof. They may be accepted with the agreement to preserve and use for as many years into the future as seems reasonable and desirable.

ARTICLE VII. RULES OF ORDER

Robert's Rules of Order, Revised, insofar as they are not inconsistent with this Constitution and Bylaws, shall govern the meetings of the Department and its committees.

ARTICLE VIII. RULES OF DEBATE

The Department shall be governed by the ruling that in debate each speaker shall be limited to five minutes unless otherwise ordered.

ARTICLE IX. AMENDING THE CONSTITUTION AND BYLAWS

The Constitution and Bylaws may be amended as follows:

Section 1. An amendment may be proposed in writing by a member or members of the Department to the Executive Committee, who shall submit it at the next annual meeting.

Section 2. The proposed amendment may be authorized for publication by the Department by majority vote at the annual meeting, and such an amendment shall be mailed to all active members with the election ballot.

Section 3. Adoption of a proposed amendment shall be by two-thirds vote of the active members voting on the amendment submitted by ballot.
